

### **NGJ Makes Enhancements to Lumber Permit Desk**

In an effort to better serve our customers shipping softwood lumber to the United States, Norman G. Jensen, Inc. (NGJ) has made enhancements and staffing changes to the NGJ Lumber Permit Desk. These changes will enable us to provide shorter turn around time and improved customer service in the lumber permit process.

NGJ has also created a new e-mail address for the Lumber Permit Desk, which will allow us to address and respond to any lumber permit processing issues you may have in a more timely manner. Any questions related to lumber permit processing should now be directed via e-mail to [lumber.permits@ngjensen.com](mailto:lumber.permits@ngjensen.com), or by phone to (204) 928-2812.
